Honorable Bankruptcy Court

RE: Bankruptcy Case No 23-22095

Dear Honorable Court:

In furtherance to our previous, comprehensive, and timely Discovery Responses to AUSA Dana Walsh Kumar and AUST Gregory Zipes, as well as our duly filed Motion to Quash and Interlocutory Appeals, in addition to our formal complaints to defend our Attorney-Client and Employer-Employee Confidentiality Privileges backed up by many others of the 3 branches of U.S. Government (attached) which directly challenge this Honorable Court's Orders or these US Attorneys' unconstitutional, illegal and unethical further demands, we hereby also remind this Honorable Court that with regard to the other intrusive and invasive secondary demands for **even more** loan documentation than what we have already voluntarily given them, we underscore that we are severely limited in providing anything further, because any and all relevant loans that these two demand for even **MORE** documentation for, we are unable to comply because **these loans were not prepared or filed by undersigned in any capacity** - they were fully prepared and filed by the fully paid for professional loan companies Jacob Rotman of SBG Funding and Jayanthi Ganapathy of FinAccurate LLC. We simply do not have any further relevant business loan information to provide these two abusive U.S. Attorneys Walsh and Zipes, so they must direct their additional loan-related subpoenas and discovery demands to those two loan agents listed above.

Be guided accordingly.

Chapter 43; a decision to order psychiatric testing or examination; or any other significant change in duties, responsibilities, or working conditions.)

Please provide a brief summary of the complaint:

Southern District of New York Assistant US Attorney Dana Walsh Kumar and Assistant US Trustee Greg Zipes are coercing and forcing me to reveal confidential past and current employee salary information, names, social security numbers, wages, bonuses, taxes, and other protected information that they have no right to under United States and New York State Labor Laws as part of my bankruptcy case no 23-22095 in the Southern District of New York White Plains presided over super compliant and corrupt Judge Sean Lane. In violation of FRCP Rules 26 and 45, (1) SDNY Judge Sean Lane referred to his own verbally and vaguely approved document discovery demands by the invasive and abusive AUSA Dana Walsh and AUST Greg Zipes as a "fishing expedition," which was then even repeated to describe his own discovery demands using the same phrase by Greg Zipes himself, thus betraying their own mental states and full knowledge that their demands are altogether illegal, unethical, immoral, violate the attorney-client privilege for thousands of my clients, as well as violate the labor laws and privacy protections of scores of my law firm employees past and present, as well as force me to both obtain and produce

formerly closed bank account records for many years bank statements within an unreasonably short period of time, that have not as of yet been properly treated, accounted for, bookkeeping, deducted, redacted, exempted, or presented as per my annual tax returns, which is my constitutional right to do; (2) even more frightening and related to the above, AUSA Dana Walsh let it slip that she is accusing me of "co-mingling funds" when that is not only false and defamatory, but illegal and unethical in New York as a lawyer, and for which I could be disbarred or jailed - I had to aggressively counter her false and defamatory allegations for the record, because not only does our law firm NOT deal with real estate or personal injury cases requiring an escrow account, but that it is common knowledge that in New York State lawyers are allowed to deposit retainer fees, personal and business loans (as well as gifts) into their operating/checking account for day to day business and operating costs (as opposed to other states) - this kind of sloppy, careless, ignorant, mean-spirited, unethical, false, defamatory, and dangerous kind of talk on the public record is another reason in my opinion why Judge Sean Lane has not reduced their discovery demands to an Order (as I would appeal it in 15 seconds) but rather he has stated "just do the best you can and we will discuss it all at our next court date of June 14, 2023," truly a landmine-filled kangaroo court legal proceeding which now that Judge Sean Lane has allowed my fully paid for lawyer Bruce Bronson to unethically and illegally withdraw, has left me lawyer-less and rudder-less, susceptible to all sorts of traps, pitfalls, and word salads by AUSA Dana Walsh Kumar, AUST Greg Zipes and others, designed to deny me due process, a fair bankruptcy proceeding, causing me to trip and fall; (3) I remind this court that Judge Lane still has not either acknowledged or called to the mat Federica Romanelli of the New York County Lawyers Association, who continues to flagrantly and blatantly violate the automatic bankruptcy stay on this case, allowing former client after former client to continue to prepare and file legal fee disputes, collection actions, lawsuits, and fee disputes left and right, with the New York Civil Court located at 111 Centre Street, New York NY 10013 not even notifying me of court dates, so that default judgments are piling up all around me in an absolute and coordinated manner, simply because in my opinion he hates me so much - Judge Sean Lane even commented on the record that "wow, I can't believe that these people won't abide by the automatic bankruptcy stay," while apparently chuckling and giggling - meanwhile my Contempt Motion duly filed against Federica Romanelli filed back in February 2023, goes un-answered, un-heard, and un-ruled upon by Judge Sean Lane, while Federica Romanelli keeps aiding and abetting these multiple bankruptcy stay violations. The SDNY court for the district where compliance is required must quash or modify a subpoena that: (i) fails to allow a reasonable time to comply; (ii) requires a person to comply beyond the geographical limits specified in Rule 45(c); (iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or (iv) subjects a person to undue burden. Furthermore Pursuant to FRCP Rule 26, dealing with Discovery Scope and Limits, parties may obtain discovery regarding any non-privileged matter...the parties' relative access to relevant information, the parties' resources...and whether the burden or expense of the proposed discovery outweighs its likely benefit. Furthermore, regarding Specific Limitations on Electronically Stored Information, a party need not provide discovery of electronically stored information from sources that the party identifies as not reasonably accessible because of undue burden or cost. Undersigned has already shown that the information is not reasonably accessible because of undue burden or cost. As we have made abundantly clear not only to AUST Gregory Zipes, this Honorable Court, the relevant attorney trustee committees, attorney and judicial misconduct committees as per the attached complaints, questions arise only as to three remaining demands out of nineteen (we have substantially complied) made by Ms Walsh (and Mr Zipes) and they fall well within the carved out exceptions of Rule 26. Gregory Zipes and the Court should be satisfied that we have not

only provided him with everything else that he asked for, but even partially the 3 remaining as well, subject to the proscriptions described above. Please immediately intervene, investigate, and advise.
